

Clever Consulting Services

Get hands-on, uninterrupted time with a Clever Specialist. We'll take a deep dive into your schools' needs and help you unlock all of Clever's benefits so that you can focus on what matters most: student learning.

Scale your knowledge

One-on-one walkthroughs of all Clever has to offer and the best ways to apply it to your schools.

Dedicated project management

We'll work alongside you to help you build a technical implementation plan.

Customized to your needs

Deep dives into the areas you care most about, from sharing rules to SFTP.

What you'll get

1

Planning call

30 minutes of time where we'll get to know what's important to you and how to structure the consulting session.

2

A dedicated session with a Clever expert

90-minutes, customized and recorded with time for hands on work time in your Clever instance.

3

Immediate support for technical issues

One-on-one support with technical issues and a deep dive on how to prevent these issues in the future.

Expertise on a wide variety of topics

We'll tailor the consulting session to your needs. Here are some popular topics:

- General guidance and support on sync
- Data clean up
- Sharing rules set up and best practices
- Navigating Data Quality reports
- Custom Data
- Navigating Clever Analytics
- Successful implementation for teachers and students
- Clever Badge set up and roll out
- Google SSO
- Setting up Summer School on Clever
- Managing SIS Conversions
- School year rollover
