Fast track your conversion

The Clever support team will help all districts who need to change the way they sync, but with Clever Consulting, a dedicated agent will work with you every step of the way to fast track the process.

1

Personalized support

You'll work with an agent dedicated to your district who is knowledgeable about your needs and will meet with you regularly to move the process forward.

2

Expedited service

You and your agent will agree on a conversion timeline and the agent will project manage to complete the change in two-weeks or less.

3

Clever coordinates with applications

Your agent will notify your applications as needed so you don't have to spend time going back and forth between multiple parties.
